Remark:

1. Installation: Miza Company will test the equipment before delivery and will send the use manual to you.
2. After-sale service: 3 years quality guarantee and life-long technical support. If there's any problem of the equipment not caused by unreasonable operation in three years, we will help you solve it (If it is small problem like spare part is broken, we will send you freely; If the problem can not be solved by guiding, we will let technician come to your place to mend it after confirmation.
3. Delivery Term:
 - 1) Time --- 90 working days after the deposit is received.
 - 2) Place --- Factory.
 - 3) The package is standard export wooden case.
